Get real!

Please evaluate your position on making funding available for the Monte Rio Sewer system.

I oppose the funding of my money for Prop 50.

Please go look that this purposed site.

IT IS ON THE FLOOD PLAIN.

IT WOULD BE VIEW BY EVERY PERSON TRAVELING TO JENNER

IT POSSIBLE COULD POLLUTE THE LOWER RUSSIAN RIVER

IT DOES NOT BENEFIT A MAJORITY OF PEOPLE

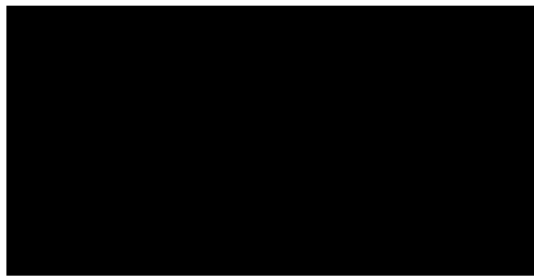

A SEWER PLANT WOULD BE VIEW(SMELLED) ACROSS RIVER BY PEOPLE WHO ARE NOT EVEN ALLOWED TO HOOK UP.

THE COST IS STAGGERING HOW.

Please review who is trying to push this project.. They are the realtors who want to be able to sell more houses and develop new homes.

Thank you.

Kristin T. Hawley
